

Overview

Adapter to equip the original base plate of the Secabo TC5 and TPD7 transfer presses with the special beam technology. This enables the convenient transfer of textiles via the base plate. The overlay adapter is mounted directly on the base of the respective TC5 or TPD7 press. In order to use the original base plate of the transfer press TC5 or TPD7 with the quick-change system, the adapter "Adapter for base plate and S.-W. Secabo TC5, TS7" (item no. 109.505.30) is required for the Secabo TC5 and the adapter "Adapter for base plate and S.-W. Secabo TC7, TPD7" (item no. 109.505.31) for the Secabo TPD7. These are optionally available in our YOW! Store available.
