

Overview

Depending on the transfer press model, the quick-change system allows up to three interchangeable plates to be mounted next to each other and exchanged in just a few seconds. Available for transfer presses TC5, TC7, TPD7 (up to 2 x 3 interchangeable plates with 2 quick couplers), TS7. Interchangeable plates must be ordered separately. The scope of delivery includes an adapter for mounting the original base plate on the quick coupler. The special beam technology of the adapter allows textiles to be conveniently pulled over the base plate. Tip: To mount the smaller base plates of 38cm x 38cm on the Secabo TPD7, the following plates and adapters are required in addition to this quick coupler: Secabo base plate 38x38cm, Art.No. 109.505.40 Adapter for base plate and S.W. Secabo TC5, TS7, Art.No. 109.505.30
