

Overview

Depending on the transfer press model, up to three change plates can be mounted next to each other with the Secabo quick-change system and replaced in a few seconds. Available for the transfer presses TC5, TC7, TPD7 and TPD7 PREMIUM (up to 2 x 3 change plates for 2 quick couplers), TS7, change plates have to be ordered separately. The scope of delivery includes an adapter for mounting the original base plate on the quick coupler. The special beam technology of the adapter makes it possible to comfortably cover textiles over the base plate.
